# STUDENT LIFE

---

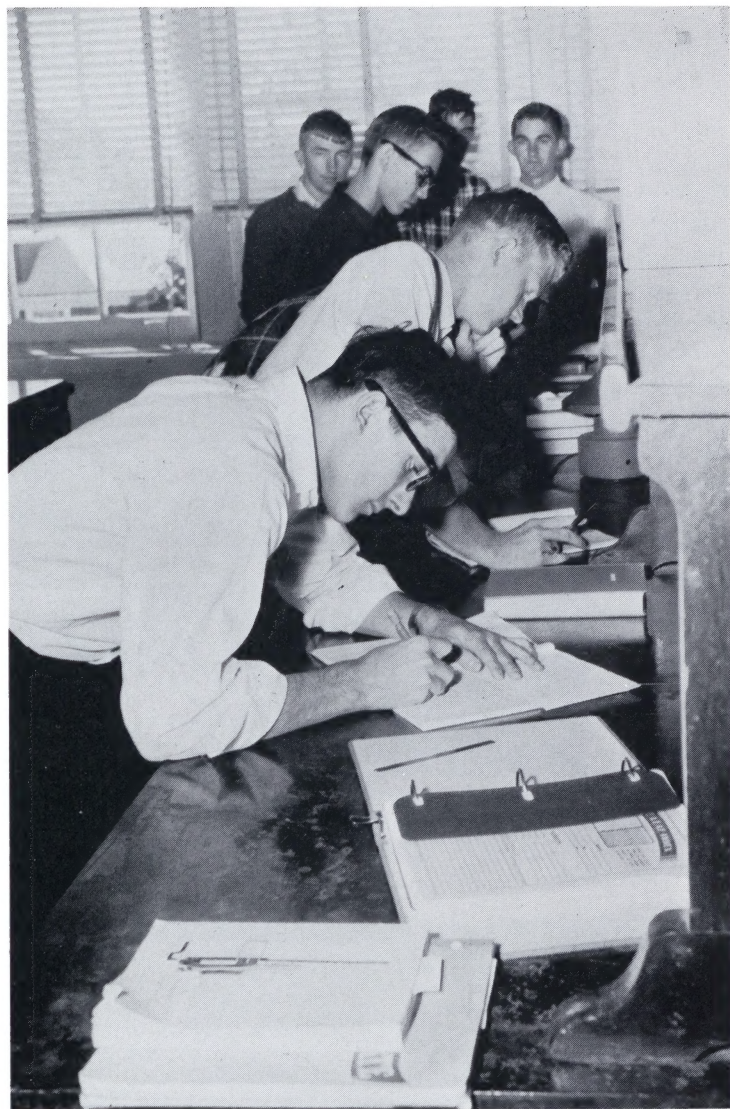

## FIRST HECTIC DAYS OF COLLEGE

Returning from leisurely summer vacations, students encountered the bewildering experience of registration. The long line of those waiting to enroll inched slowly up to the door of the cafeteria. Inside, the pace livened. After consulting with advisors, students confidently filled out course cards. Then finding that zoology lecture was closed and advanced Spanish classes met only at eight O'clock, schedules were juggled and rearranged. Finally satisfied, weary students paid tuition fees and proceeded to the text book room for a semester's supply of books. After triumphantly completing registration, students felt that they could face anything.

## SCHOOL SETTLES DOWN TO ROUTINE

With the convening of daily classes, lectures, and labs, students began to realize the importance of their success in college. Buckling down to the serious business of acquiring an education, they soon learned to appreciate the solitude of the library and the challenges presented in class. Of course, being typical students, they were quick to realize that a well rounded education consisted of more than academics; so honest attempts were made to enjoy some of the other phases of college life.

## FALL SWINGS IN

Enthusiasm ran high as fall weather ushered in pep rallies, bonfires, and football games. For months in advance, everyone planned the BIG weekend. This year, Homecoming was more than a football game; it was fall itself. During the entire week of October 12-17, each club planned an entry for the parade. A gigantic woodpile took form as an army of wood-gathering trucks descended upon urban renewal projects and construction jobs. Topping the woodpile with a Haskell Indian, the cheerleaders led a pep rally which generated enough enthusiasm to insure the Lions an easy victory.

## **HOMECOMING BRINGS BACK THE OLD WEST**

After much anticipation, the big day finally arrived. Each club hastily applied the finishing touches to their entry—some just minutes before the start of the parade. As the parade slowly inched its way down Main Street, the entire town joined the college students in giving the team a big send-off. That night the Lions could be nothing but victorious. They triumphed over Haskell Institute 37 to 7. After the game, a dance held in honor of the Homecoming Queen and her court climaxed the weekend.

Dean Havens, Linda Allington, Frank Falks, Sharon Campbell, Bruce Cortez, Wanda Johnson, Dick Ralston, Judy Thompson, Pete Jennings, Tony Cano, Ronda Davis, Curtis Jones, Donna Bartelsmeyer, Gina Harper, flower girl, Phil Metz, crown bearer.

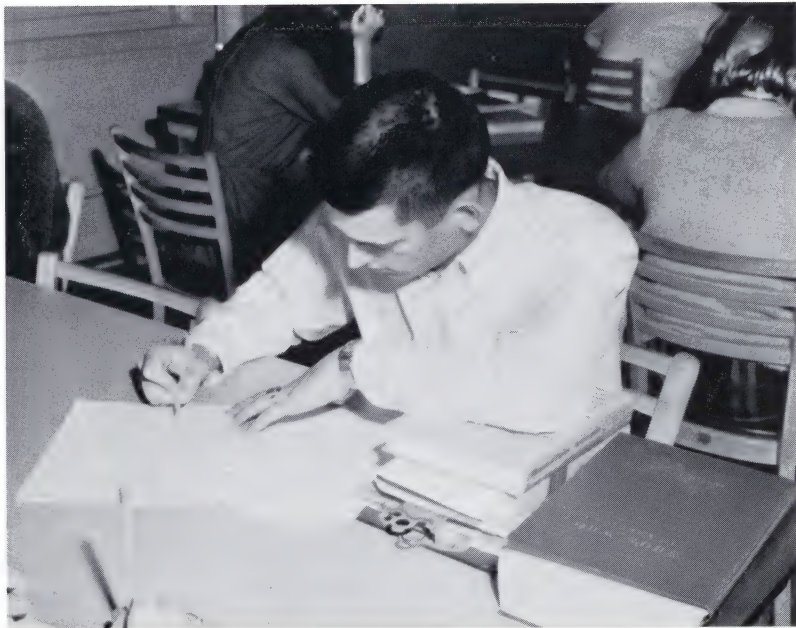

## WINTER STRIKES AGAIN

With a gust of cold wind, winter arrived bringing Christmas in its wake. Although students worked hard to meet deadlines on research papers and exams, they took time out to capture the holiday mood. Introducing the winter season, the Crossroads Ball added gaiety to the festivities while service organizations such as Circle K and YWCA contributed to the spirit by sponsoring projects for the underprivileged.

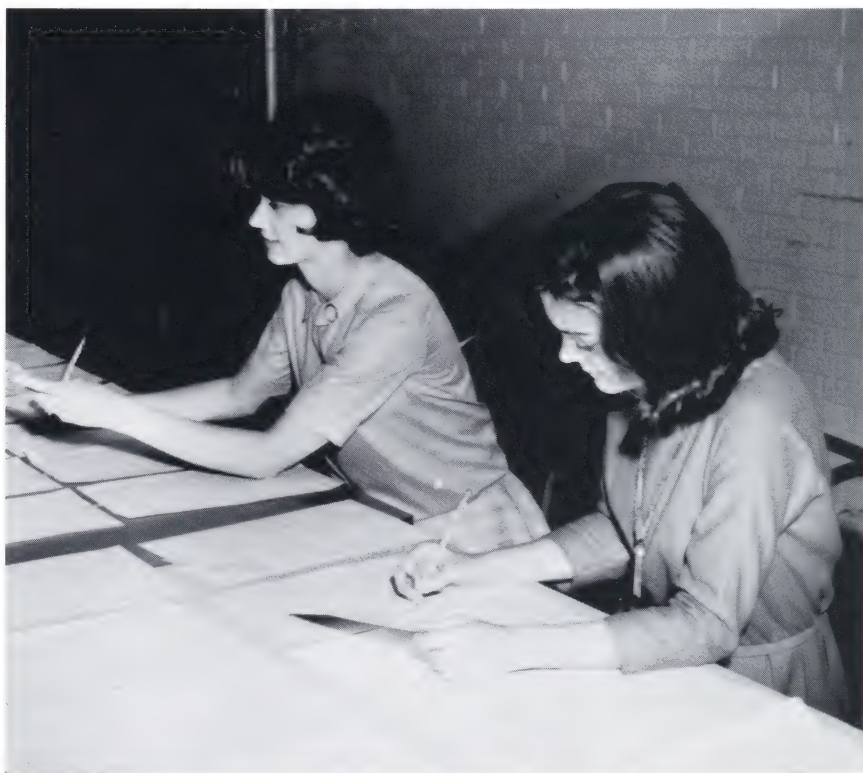

NEW STUDENTS SECOND SEMESTER. FIRST ROW: Richard Monson, Corinne Graff, Betty Gritz, Maxine Carlson, Virginia Watkins, Glennon Galati, Karen Porpoth, Myrna Kidwell, Glenna Kéepper. SECOND ROW: Kenneth Jeffries, Brooks Gubser, Bob Nutting, Dean Moore, Louis Jackson, Floyd Eickhorst, Mike Schmidtke, Larry Penn. THIRD ROW: Terrence Schulte, Richard Smith, Robert Macy, Bernard Johnson, Tony Riley, Lawrence Frenken, Jim Fowler. FOURTH ROW: Jack Mock, Gerry Wetherell, Larry Shelton, Joe Oliver, Michael Shade. FIFTH ROW: Rose Johnson, James Gilbert, Henry L. Horner, Norma Glades, William Molloy, Curtis E. Owens, James Gillard, Clem Sanders, Jr.

## SEMESTER BREAK BRINGS A SIGH OF RELIEF

Finals . . . a time of anticipation, preparation, frustration, exhaustion, and finally relief. At this point students begin to wonder "is it really worth it?" But second semester brings them back with smiles on their faces, optimistic attitudes, and the enthusiasm only youth can generate.

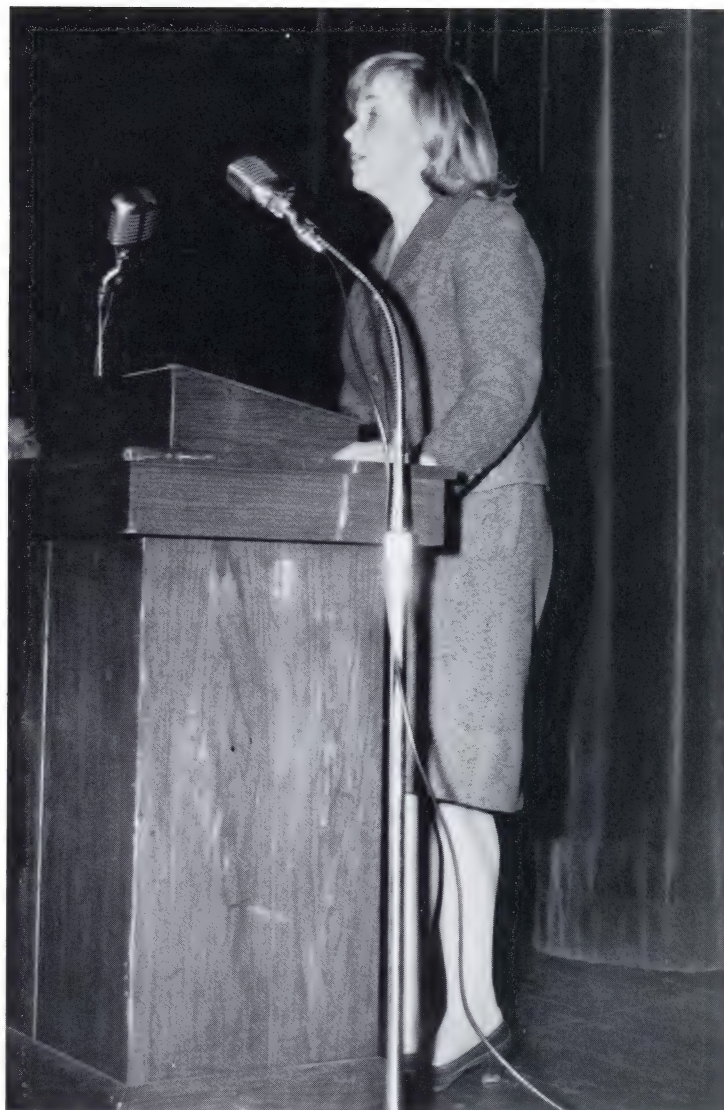

## SPRING . . . AND ALL IT BRINGS

The exuberance of spring gave students a renewed interest in school activities. Taking advantage of this spirit, the YWCA launched World University Service week during which money was raised to help students overseas. Miss Jane Williams, field representative of the World University Service, officially opened the drive. Each organization on campus sponsored a fund raising activity. For example, CCUN proclaimed Apple Munch Day and sold apples as their project. The College Players presented a variety show to aid the fund. Circle K challenged YW's to a hilarious basketball game in which the boys were handicapped by being tied together at the ankles. An auction of services jointly sponsored by Young Democrats and Young Republicans climaxed the drive. This one project netted more than half of the total fund.

## THEY CAME

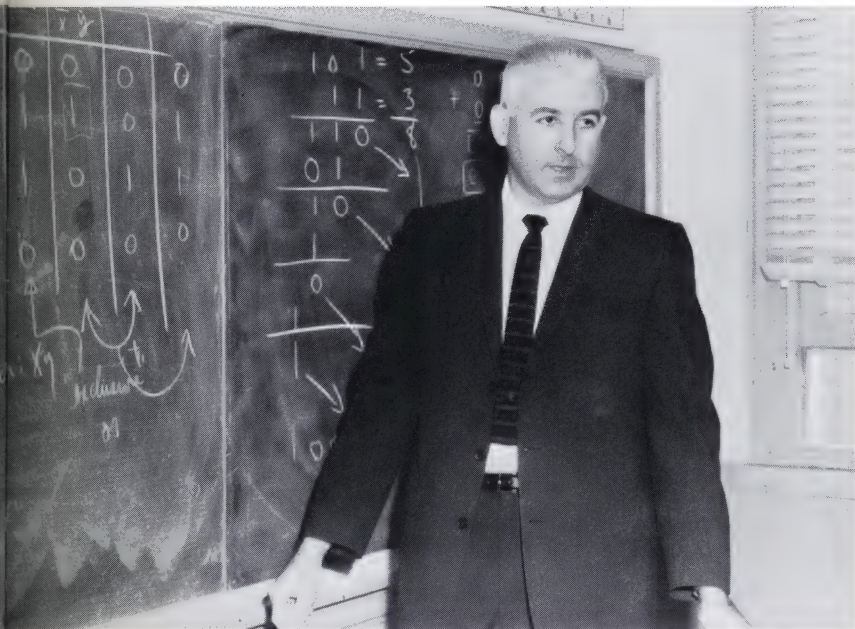

Mr. Robert Speaight presented several interesting discussions on English poetry and drama.

On a campaign swing around the state, Missouri's Attorney-General Thomas Eagleton stopped to discuss political issues with interested students.

Dr. Hatfield, head of the mathematics department at Rolla, spoke to engineer and math club members.

Secretary of Agriculture Orville Freeman discussed the pertinent issues of the 1964 Presidential campaign.

## AND WE APPLAUDED

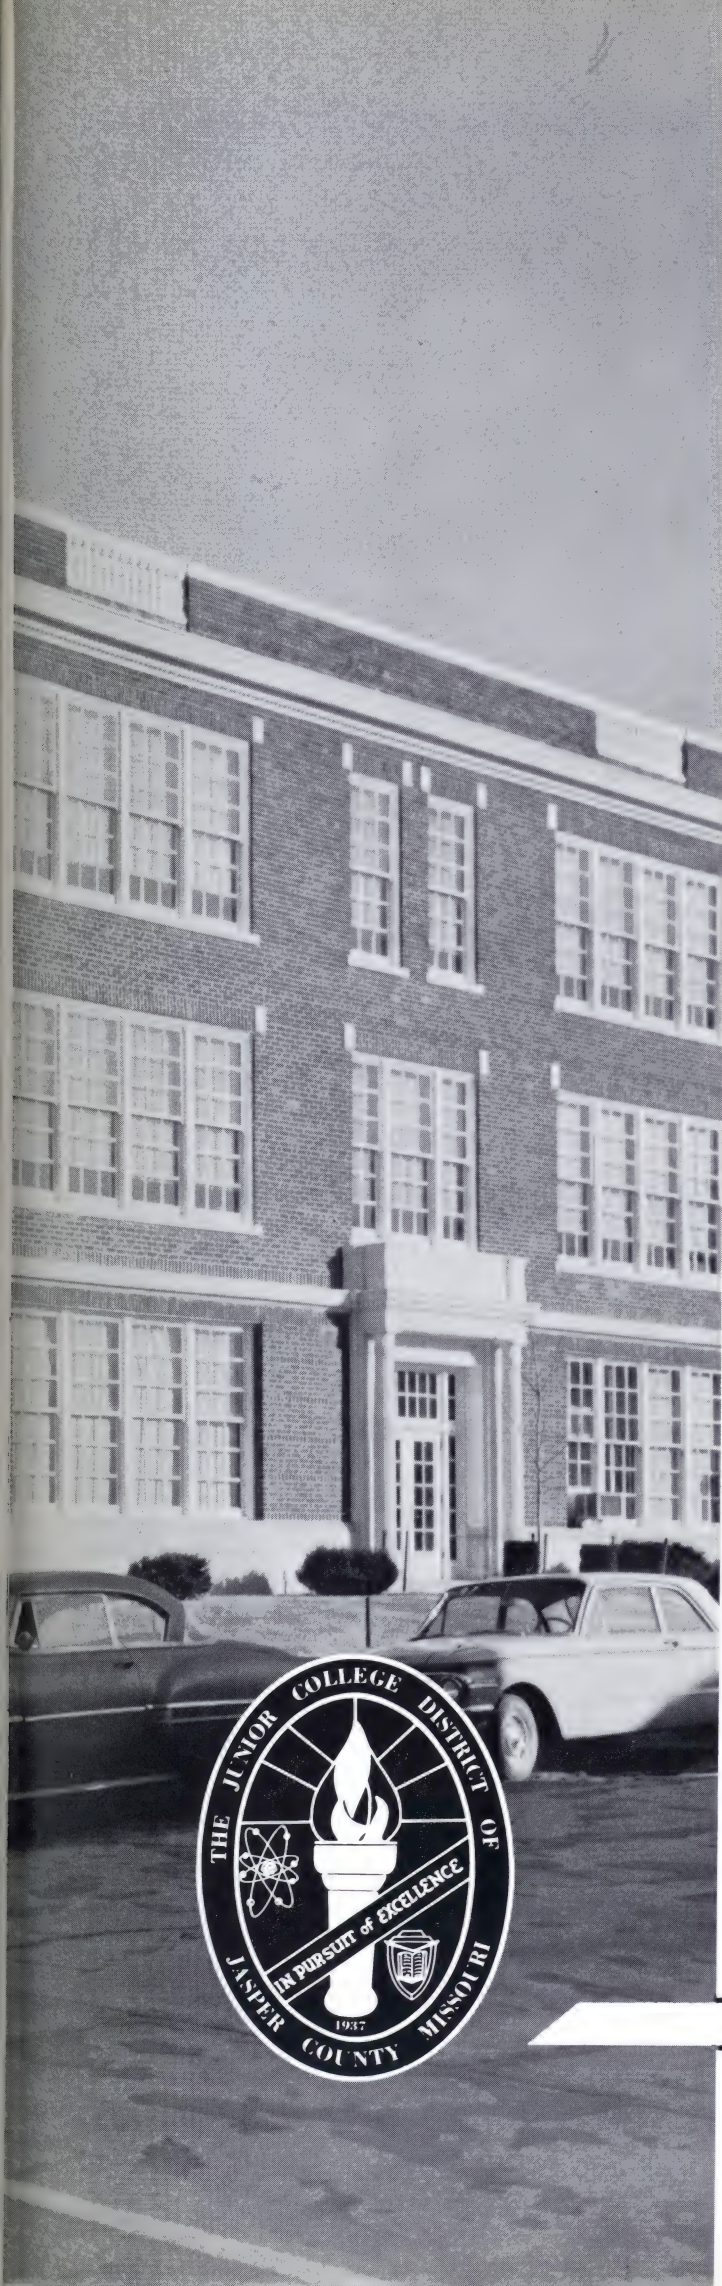

Captain Story explained the polaris submarine program.

Dr. Zelma George, a sociologist and former delegate to the U.N., presented several challenging lectures on the subject of current world problems.

In May of 1964, the voters of Jasper County made higher education available to more students by placing Joplin Junior College under the direction of a county board of trustees. When the school became Jasper County Junior College, plans were formulated to buy Mission Hills as the site for an enlarged campus. With the change of administration, Roi S. Wood, Superintendent of Joplin Schools, no longer served as president of the college. A plaque was presented to President Wood at the 1964 junior college commencement on recognition of his twenty years of outstanding service.

## CROSSROADS

Plans for your 1965 Crossroads began last spring with the choice of the Co-editors. From that moment on, we formulated ideas to make this the "perfect" yearbook. During summer vacation we had the opportunity to tour the publishing company in Dallas and view the actual processing of yearbooks. At the publishing company the type of print, heading styles, weight of the paper, division pages, and color and design of the cover of the Crossroads were chosen.

September came all too soon and we suddenly found ourselves madly collecting our thoughts, ideas, and as many pictures as possible. With September also came the choosing of our staff; and production began with full force. We all set to work organizing and planning general layouts, and alphabetizing and categorizing class pictures.

Another project on our list was the Crossroads Ball and Coronation. Preparation for this special event began weeks in advance, but as time grew closer we were, as usual, frantic over last minute details. All of our worry and doubts paid off for the ball was a smashing success.

In March, the final deadline approached and we were doing fine and well until old man winter decided to stick around a while longer. Because of him, the Miss Juco pageant was delayed and we found ourselves with four blank pages in the Royalty section. But thanks to a hard working staff who came to the rescue, your Crossroads is complete.

Well, D Day has come and gone, the book is finished, and so are we.

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference.
